News Item: Tangier (April 6) Looking out between the spars and jettied overboard towards the outline of British Gibraltar was the mad Anatolian marauder, concealing impulses of the most brutal savagery. The Ottoman standard, a sacred emblem inscribed with the name of Allah twenty-nine thousand times snapped in the breeze from the main-top of the Turkish flagship Lepanto.

Propaganda: From Austria to Italy, "Your little
 game is up."

From Italy to England, "Your proposal
 sounds interesting. Maybe you should make a
 few positive moves."

Note: Because the winners (World Series) Game is
 expected to start anytime now I think I will
 postpone the second Gamesmasters Game to a
 later date. I believe that four (4) games at
 one time is all that I want to run in Big
 Brother to keep a nice balance in each issue!
